Section 3 – External Auditor's Report and Certificate 2025/26

In respect of Shorwell Parish Council

1 Respective responsibilities of the auditor and the authority

Our responsibility as auditors to complete a **limited assurance review** is set out by the National Audit Office (NAO). A limited assurance review is **not a full statutory audit,** it does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and hence it **does not** provide the same level of assurance that such an audit would. The UK Government has determined that a lower level of assurance than that provided by a full statutory audit is appropriate for those local public bodies with the lowest levels of spending.

Under a limited assurance review, the auditor is responsible for reviewing Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with NAO Auditor Guidance Note 02 (AGN 02) as issued by the NAO on behalf of the Comptroller and Auditor General. AGN 02 is available from the NAO website – https://www.nao.org.uk/code-audit-practice/guidance-and-information-for-auditors/ .

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with *Proper Practices* which:

- summarises the accounting records for the year ended 31 March 2026 and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

2 External auditor's limited assurance opinion 2025/26

On the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return, in our opinion the information in Sections 1 and 2 of the Annual Governance and Accountability Return is in accordance with Proper Practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

(continue on a separate sheet if required)

Other matters not affecting our opinion which we draw to the attention of the authority:

In the prior year the smaller authority was exempt from review. We have not reviewed any evidence to support the prior year comparatives in the Accounting Statements.

The smaller authority's reserves appear excessive as, after accounting for the earmarked reserves, general reserves are greater than net revenue expenditure. A smaller authority has no specific right to accumulate funds via the precept. The smaller authority should ensure that it has regard to the level of reserves held when considering future precept requests and as part of their annual budgeting process. Any earmarked reserves should also be considered and formally approved by the smaller authority.

The period for the exercise of public rights did not include the first 10 working days in July, meaning the smaller authority has not complied with the Accounts and Audit Regulations 2015 in 2026/27 as it failed to make proper provision during the year for the exercise of public rights. As a result, the smaller authority must answer 'No' to Assertion 4 of the Annual Governance Statement for 2026/27 and ensure that it makes proper provision for the exercise of public rights going forward.

(continue on a separate sheet if required)

3 External auditor certificate 2025/26

We certify that we have completed our review of Sections 1 and 2 of the Annual Governance and Accountability Return, and discharged our responsibilities under the Local Audit and Accountability Act 2014, for the year ended 31 March 2026
